The Nigerian Association of Petroleum Explorationists (NAPE) remains the leading professional body for geoscientists and allied energy professionals across Africa, with a membership base exceeding 10,000 professionals and over 1,000 organizations. It further serves as a conduit for verifiable oil & gas information within Nigeria and Africa as our teeming members/professionals make up the oil & gas company personnel.

The theme for the 2026 conference is **“Unlocking More Barrels: Driving Reserves Growth through Exploration, Local Capabilities and Adaptive Technology.”** The Opening Ceremony is scheduled for Monday, 9th November 2026, and we warmly encourage your participation in the full range of activities that will be carried out at the conference, which include, but not limited to technical sessions, strategic industry discussions, networking engagements, etc. The conference will conclude with the Awards Night on Thursday, 12th November 2026, which will mark the official closing of the event.
