**DESIRE/PURPOSE TO SERVE NAPE IF ELECTED:**

I am a qualified Geological Scientist with a wealth of twenty years industry experience in both **Technical** and **Managerial** career paths.

A professional association as ours, strives when professionals commit to its growth and development.

If elected as **ASSISTANT EDITOR-IN-CHIEF**, I will commit to working with the association`s leadership in ensuring the implementation of a robust structure that promotes world-class industry standards, rewarding development and enhanced quality of performance of its members in their various endeavors.

As leaders, we owe our members sound communicating relationship: **Listening, Giving** and **Serving**. I intend to use my years of industry experience to proffer simple, yet positively impactful solutions to complex challenges and opportunities, be it technical or otherwise.
