DESIRE/PURPOSE TO SERVE NAPE IF ELECTED:

My desire to serve as Assistant General Secretary of NAPE if elected is to contribute towards the necessary step change in taking our association to the next level. I will like to see a NAPE that will become Global like AAPG, SEG etc. I intend to work closely with all the necessary stakeholders so that the NAPE website is robust enough to attract members and non-members i.e.

- Publication of all papers presented from inception till date
- Short courses
- Effective communication to all members on all NAPE activities.

I look forward to contributing immensely to the growth on our great association.
