

NAPE ELECTIONS 2020/21

OFFICER CANDIDATE FOR: ASSISTANT EDITOR-IN-CHIEF (2020/2021)

NAME: Dr. Auduson Aaron Enechojo

Current Employer/Institution: Federal University Lokoja

Location: Lokoja, Kogi State

Telephone (Office): 08121649990

Mobile: 08067571761

Functional E-mail Address (very important): aaronoilman@gmail.com

➤ **CONTRIBUTIONS TO NAPE**

- **Offices Held:**

1. NAPE Faculty Advisor in Kogi State University Anyigba (former); 2013-2016
2. NAPE Faculty Advisor in Federal University Lokoja (Current); 2019 till date
3. Member, Field work planning Committee 2016 NAPE Mini-Conference, University
4. NAPE Conference Volunteering Services

- **Contributions:**

1. As NAPE Advisor in these universities, I was responsible for establishing NAPE student Chapter in the respective university. Those student chapters tremendously increased student membership for the association.
2. I was and still into active membership drive for the association, canvassing academic staff members to join the association.
3. Taking part in a successful NAPE Mini-Conference
4. Taking part in a successful NAPE Conference (AICE)

***EDUCATION**

Schools/ Institutions Attended (beginning from most recent)	Dates Attended	Qualifications
University of Nigeria Nsukka	2012-2015	Ph. D, Applied Geophysics
Delft University of Technology	2008-2010	M.Sc., Applied Geophysics
ETH Zurich (Swiss Federal Institute of Technology, Zurich), Switzerland	2008-2010	M.Sc., Applied Geophysics

RWTH-Aachen University, German	2008-2010	M.Sc., Applied Geophysics
Federal University of Technology, Minna	2001-2005	B. Tech. Applied Geology
Eleyele Secondary, Ibadan	1990-1995	SSCE

***PROFESSIONAL/WORK OF EXPERIENCE/HISTORY (beginning from most recent)**

Dates From: 2016 To: Date	Experience: Project supervisions including: Reservoir characterization and modelling, seismic imaging, advanced seismic interpretation, subsurface mapping, formation evaluation, petroleum economics and Field development plans, volumetric and risk assessment, Geophysical technology development and fabrication. Research experience focuses on: 2D/3D/4D acquisition-processing-interpretation to prospect generation, reservoir characterization, modelling and management; Sequence Stratigraphy and sedimentary basin analysis; Reservoir geophysics, Geostatistics, Earth modelling and Rock physics. Author of Geophysical Textbook title “Concise Applied Geophysics; a Practical Approach” . Experienced in the North Sea.
	Company: Federal University Lokoja
	Position: Senior Lecturer/Director, General Studies
Dates: From: 2011 To: Date	Experience: Industry experience involves: Integrated Reservoir characterization and modelling, seismic imaging, advanced seismic interpretation, subsurface mapping, formation evaluation, petroleum economics and Field development plans, volumetric and risk assessment.
	Company: League Geo-Services Limited
	Position: Principal Geophysical Consultant/Director, Technical Geosciences and Engineering
Dates: From: 2011 To: 2016	Experience: Lecturer of Applied Geophysics; Doing Research and teaching; integrating the technical disciplines of geology, geophysics, reservoir engineering, petroleum economics and data management in order to delineate, characterize and model the reservoir; seismic modelling involving rock physics, fluid substitution
	Company: Kogi State University Anyigba
	Position: Lecturer
Dates: From: 2009 To: 2010	Experience: Research work, modeling solid pore fills in the hydrocarbon reservoirs, Southern North Sea, Offshore Netherlands.
	Company: Wintershall Nord Zee b.v.
	Position: Geophysical Researcher

DESIRE/PURPOSE TO SERVE NAPE IF ELECTED:

If elected, as the Assistant I intend doing my best in the following areas, in addition to ensuring that I work as a team player for successes of the entire executives of NAPE:

- Assist with approving publication's layout, design, style and tone
- Assist with reviewing of written content for spelling and grammar errors
- Assist with fact-checking information in articles and stories before publication
- Assist with providing suggestions for editing when needed
- Assist with writing editorial pieces to contribute to the publication of NAPE Magazines/Bulletins, etc.
- Assist with developing and managing budgets for the editorial team
- Assist with representing the publication's editorial team at social functions
- Assist with making final decisions about which articles and photographs to be accepted for publications based on standard practice
- Assist with attending meetings with the publication board to discuss issues and plans for the publication
- Assist with coordinating online or print publishing cycle and managing content areas.
- Assist with setting publication standards and establishing goals and expectations.
- Assist with suggesting headline ideas in alignment with NAPE members' preferences.
- And so on...
