DESIRE/PURPOSE TO SERVE NAPE IF ELECTED:

I am an experienced and resourceful Geoscientist, with the competency and skills of a Stockbroker and a licensed dealing clerk of the Nigerian Stock Exchange (NSE).

Utilizing these dual skills set when elected, I will discharge my duties as the Financial Secretary in accordance with the following five pillars: Integrity, Trust, Fairness, Transparency, Accountability

I understand clearly that the primary roles of Financial Secretary, as in SECTION 8 of NAPE Constitution and Byelaw, are to receive and document all funds being paid into the treasury of NAPE, prepare income and expenditure accounts, prepare quarterly financial statement and produce an audited annual financial report to the Association at the Annual General Meeting of members.

The Financial Secretary is also the Chairman of the Financial Committee.

It is obvious that the role Financial Secretary requires good knowledge of finance. I am available to serve and would ensure that the NAPE's financial management system and procedures is enhance, monitored and backed with necessary policies for sustainable growth in line with global best practices and legal requirements.
