## **DESIRE/PURPOSE TO SERVE NAPE IF ELECTED**

I am excited to run for the position of President-Elect of NAPE. Over many years, I have made significant contributions to NAPE YP, NAPE-UAP, and NAPE organization in general. I have the passion to serve our great association. If elected, I will leverage the experience of past leaders, stay on top of contemporary energy agenda and leadership in the 21<sup>st</sup> century with strong impact in the following focus areas:

- ✓ Promote the profile of the association and deliver the association's strategic vision as a leading professional Petroleum Geoscience Association in Nigeria with a global reach
- ✓ Drive funding initiatives for the association with clear value proposition to sponsors and members
- ✓ Re-energize the membership base including our distinguished fellows
- ✓ Play a strong advocacy with the government and propose policies that will benefit NAPE members and the country
- ✓ Partner with sister associations to deliver our common agenda during the Energy Transition
- ✓ Strengthen Industry and Academia collaboration through the UAP
- ✓ Work with Chapter coordinators to re-invigorate existing chapters
- ✓ Initiate training and short courses for capacity building with fundraising opportunity
- ✓ Strengthen the already existing Mentoring Circles aimed at developing emerging leaders in the industry
- ✓ Make the association website more accessible and user-friendly
- ✓ Consolidate the progress in NAPE landed properties
